## The 24 Challenge<sup>®</sup> Math Tournament is BACK!! Wednesday, February 11, 2015, 9:00 AM at CLIU #21

CLIU #21, in conjunction with SUNTEX INTERNATIONAL, the creators of the 24<sup>®</sup> game and First In Math<sup>®</sup> Online Program, is sponsoring a 24 Challenge<sup>®</sup> Math tournament for all 4-8th grade students!

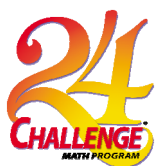

This year, 100 school district champions will be invited to participate in the CLIU #21 tournament.

A hands-on, half-day workshop will show you how to train your students for the tournament and conduct play-offs in your school and/or district. Attending ensures that districts who previously have not received First in Math will obtain a free online subscription of First in Math for students in Grades K-8, which enables them to have unlimited skill-building and practice for the Math 24 Challenge Tournament.

**TRAINING DATE: November 20, 2014, 8:00 - 11:00 AM at CLIU #21 in Conference Room H**

**Schools new to the First in Math program will receive  
FREE subscriptions for all of their K-8th grade students!**

**3 hours of ACT 48 provided to all participating educators - Register on CPE Tracker**
